

Children on Campus Policy

Bevill State Community College does not provide childcare services. Students, faculty and staff are expected to arrange for their personal childcare in a manner that does not involve college facilities or resources. Students who fail to comply with this policy will not be admitted to classes and may be asked to leave campus until off-campus childcare arrangements can be made. Bevill State Community College will not be liable for any injury, property loss, or damage, suffered by any party as a result of a violation of this policy.
