Institutional Mission Statement - Learning, Serving, Enriching. Bevill State Community College is an accredited, learning-centered institution dedicated to student success by providing quality educational and training opportunities that enrich lives intellectually, economically and culturally.

I. Professional Development Activities

Professional Development is to ensure faculty and instructional administrators remain current on job related new and emerging technology, industry trends, pedagogy, and grants. Full-time instructional faculty and administrators are expected to maintain a record of their professional development activities (via this form) and provide documentation of activities (i.e., agendas, registration materials, conference materials, certificates, etc.) by attaching to this form. Please list professional, seminars, conferences (broken down by individual sessions attended), visits to other institutions, classroom visits, in-service training, etc.) to include the dates and the amount of time in hours spent on each item. Each clock hour of attendance will be awarded one (1) point. If you take a course in your current field or towards teaching in another field (attach unofficial transcript), each credit hour will be awarded 8 points. The minimum number of points to "meet the standard on your annual performance evaluation" is **25 points**. The time frame for this form is from the first day in April until the last day in March
