

Waiver of Access

Bevill State Community College may request that a student waive his/her right to inspect confidential recommendations regarding that student's Application for Admission, application for employment, or the receipt of an honor or other recognition. If a student receives a request for waiver, the student has three options:

1. He or she may sign and return the waiver.
2. He or she may request a list of the names of persons who will be asked for recommendations before signing.
3. He or she may refuse to waive the right of access. Such a waiver shall not be a condition for admission to the institution, financial assistance or any other benefits or services received by Bevill State Community College students.
